Notice To Champion

Patrons

Should the FARMERS' CHAMPION plant be moved to Fletcher before the next issue, the paper will continue to be sent to all subscribers who wish it. Elgin news will continue to appear in its columns as usual. Advertisers who wish their ads discontinued will please notify the publisher as it will be a very busy week for us.

In the future our entire time will be devoted to the publication of our three papers, the Fletcher FARMERS' CHAMPION, the Hinton Record, and the Binger Journal. We expect to install a linotype machine in the Hinton office before many months to set the news type for all three offices.

Here's Hopes.

The state of Kansas seems to have a great banking after newspaper men as gubernatorial material. Arthur Capper, editor of Capper's Weekly, served a term as governor, and then they elected Henry J. Allen, editor of the Wichita Beacon.

Now five other editors of that state are in the race for governor next year, they being W. Y. Morgan of the Hutchinson Gazette, J. L. Berdy, Salina, Union, Dick Howard, Arkansas City Traveler, Clyde Reed, Parsons Sun, and Ewing Herbert, Hiawatha World.

Each candidate will have the support of at least one paper.

Last Services.

Father Van conducted his last service in the Catholic church here Sunday, having been transferred to Union City. The congregation Sunday morning gave him a large cash contribution in addition to his regular salary as a token of respect and to show their appreciation of his service among them.
